## **The President's Corner**

As we prepare for the snow to fly, plans are being formulated for our 2021 season. Certainly, the public health risk that emerged in 2020 caused a huge delay and a great deal of uncertainty for the start of 2020. However, by practicing what we learned in 2020 and with good news regarding treatment and preventive measures on the near horizon, we anticipate that we should be able to start on time in 2021.

It is too early to know whether we will be able to conduct our spring meeting, the traditional kickoff event or any full-scale social events, but those are all under consideration by the Board.

The Tournament committee, under the leadership of new Board member John Neligon will be reviewing tournament procedures for the benefit of all Members. We are also formulating plans to hold the 50<sup>th</sup> Anniversary event that was postponed from last September. Our treasury is strong.

Your Board wishes you safe, Happy Holidays and we look forward to a great New Year! See you all in March!

### Membership Director's Report – December 2020

*"You have to keep this con even after you take his money. He can't know you took him."* – **Paul Newman as Henry Gondorff** in the movie *The Sting*

*"I was in love with a beautiful blonde once, dear. She drove me to drink. That's the one thing I'm indebted to her for."* - **W.C. Fields** in the movie *Never Give a Sucker an Even Break*

*You cheated, you lied*

*You said that you loved me.*

*You cheated, you lied*

*You said that you want me.*

*Ooohh what can i do,*

*But just keep on lovin you. - **You Cheated, You Lied** by **The Shields***

The theme of the month here is the long con and cheating. Why? Just to demonstrate what you never get from the Tallwood Men's Club. No con jobs, rigged elections or cheating here. Just good golf and great friendship for the coming 2021 golf season is easily in your hands.

All you have to do is main in your membership renewal form and you are all good to go.

*When you're down and troubled*

*And you need a helping hand*

*And nothing, oh, nothing is going right*

*Just close your eyes and think of me*

*And soon I will be there*

*To brighten up even your darkest night – **Carole King – You've Got a Friend***

As Carole King once wrote and sang you've definitely got a friend at Tallwood and in the Men's Club so break out that pen and checkbook and get renew your membership for the 2021 season and don't get left out.

The Membership renewal dues are at the same number as they have for the past 2 seasons (\$180 but only \$160 if you get it in before February 1<sup>st</sup>, 2021) so it is a bargain at twice the price.

**David Johansen (Looney)** [after Trotter won but Looney didn't even bet] *#/d hate to have to walk around this track with seven hundred dollars cash."*

**Richard Dreyfuss (Jay Trotter)** *"Seven hundred and TEN - and you'll never have that problem, because the only reason I won is that you didn't bet! You are the unluckiest person in the world!"*

So, in closing don't be the unlucky one like Trotter's buddy Looney. Be walking around lucky like Trotter and get your membership dues in now while it is fresh on your mind. You know you are going to do it eventually, **so why not right now!**

If you are a long time member from the mid to early 70's please shoot me an e-mail with the year you first started playing in the Tallwood Men's club so I can set the records straight and get that information into the data base..
