

Tallwood Men's Club Tournament and Social Event Guide

This Tournament and Social Guide is published to provide guidance for the Tallwood Men's Club membership, TCC Management and the TCC Pro Shop to highlight and explain tournament requirements and events. Specific and temporary rules for individual events may differ slightly, so always check in the Pro Shop before teeing off.

A trophy  symbol following a tournament description indicates that the event is a trophy ("major") tournament for which a trophy will be presented at the Fall Awards Banquet.

I - General Tournament Guidelines

Participation requirements

The Tallwood Men’s Club does not have a tournament participation requirement for membership renewal. One tournament credit is earned for each date played and applied for major events (Club Championship & Member-Member) which have tournament participation requirements. With the exception of early season tournaments canceled before the first official TMC tournament, any event a member has signed up for that is cancelled due to course conditions or inclement weather will count towards tournament minimums.

Event	Member Status	Requirement
Club Championship	Returning member*	5 events from the end of the previous year’s CC and the start of the event. CC rounds are not eligible.
Club Championship	New Members*	7 current year events by the start of CC
Member-Member	New Members*	7 current year events by the start of the M-M event.
*New member as defined by Membership Guidelines		

Competition rules

Unless otherwise superseded by a local rule, the U.S.G.A. Rules of Golf govern all play. It is the player’s responsibility to check the local rules before each event, as both rules and conditions of competition may occasionally change. Tournament rules and regulations will be posted in the Pro Shop prior to the start of the event.

For TMC events, each player is responsible for the accuracy of his own score. A dated scorecard must be signed by the score keeper and attested by a 2nd member of the group and should be promptly handed into the Pro Shop at the conclusion of each round. All scores will be entered by the Pro Shop staff into a computerized system (Golf Genius) to identify event winners. This system also posts the player’s score in the World Handicap System (formerly GHIN) program using the USGA Equitable Stroke Control method. The Pro Shop will post the results on the bulletin board and on the Tournament Results page of the TMC website by Wednesday of the following week. Most major or special events will be entered as “Competition” scores (ie: “C” scores, formerly “T” scores) pre-programmed into the computerized handicap system.

Member Responsibility for posting World Handicap System scores

Other than event scores that are posted by the Pro Shop, members are required to follow the USGA guidelines for posting scores. Scores can be posted using the TMC computer in the Pro Shop or on line using the following link: <http://www.ghin.com/scorePosting.aspx> . A WHS app is available for score entry on mobile devices. Scores made in an “open season” warmer climate before April 1 or after Nov 15th are required to be posted online.

Tallwood Men's Club Tournament and Social Event Guide

USGA Guidelines:

Section 5 - Acceptable Scores

Q. What scores are acceptable for posting purposes?

A. Almost all scores are acceptable because of the basic premise of the USGA Handicap System which states that every player will try to make the best score at each hole in every round, regardless of where the round is played, and that the player will post every acceptable round for peer review. Therefore, all of the following are acceptable scores:

- When at least seven holes are played (7-12 holes are posted as a 9-hole score; 13 or more are posted as an 18-hole score)
- Scores on all courses with a valid Course Rating™ and Slope Rating®
- Scores in all forms of competition: match play, stroke play and team competitions where each player play their own ball
- Scores made under [The Rules of Golf](#)
- Scores played under the local rule of “preferred lies”
- Scores made in an area observing an active season. In Connecticut, April 1st thru November 15th.

For more specifics regarding posting a WHS (formerly GHIN) score, see the following at the USGA website: [Decisions 5-1a/3 through 5-1a/5](#).

Player may not post a score when playing multiple balls during a practice session, getting a lesson, or playing alone.

4-1. Unfinished Holes and Conceded Strokes: A player who starts, but does not complete a hole or is conceded a stroke must record for handicap purposes the most likely score. The most likely score may not exceed the player's Equitable Stroke Control limit, defined in Section 4-3. This most likely score should be preceded by an "X".

Handicap Revisions

TMC uses the CSGA WHS Handicap Service, which updates player handicaps on a daily basis between April 1 and November 15. The most current daily handicap revision will be used for all events unless otherwise announced. The TCC Pro Shop staff will provide daily handicap updates for all TMC events.

Tee Guidelines (Most Events)

Beginning in 2020; for Tallwood Mens Club events and tournaments, any player can play from any color tee, with the appropriate handicap adjustment. There is no longer an “age + handicap” calculation option.

All players must declare their tee color choice for the day to the Pro Shop before beginning the round. Handicaps of members will be applied in accordance with USGA Rules based on the Slope and Index differential for each tee. The TMC scorecard also contains a place to indicate the tee color played that day. **Failure to designate tee selection for all participants on a signed and attested scorecard is grounds for disqualification.** In the interest of fairness, members are urged to choose the tee that best suits their ability.

Tallwood Men's Club Tournament and Social Event Guide

- Individual events: Blue tees – Gross and net. The pool will be flighted based on the number of participants. White and Gold tees – Net only. The combined pool will be flighted based on the number of participants. Prizes will be awarded on a 40/60 gross/net basis for the blue tee pool and 100% net for the combined white/gold tee pool.
- Two-man events: If the difference in the player handicaps exceeds 5 strokes, the higher handicap will be reduced to 5 strokes above the lower handicap for flighting purposes only. Both players must play from the same (normally blue) tee to be eligible to participate in the gross pool. All white/gold/mixed-tee 2-man teams will only be eligible for net prizes.
- Major / trophy events: Gross participants must play from the blue tees, with the exception of the Seniors and Super Seniors tournaments (played from the white tees) and the Club Championship where the Championship flight is played from the blue tees and the remaining flights are played from the tee of the player's choice. Flight winners (and runners-up, if applicable) are awarded GOTY points, but only the overall gross and net winners receive trophies, with the exception of the Club Championship where all flight winners receive trophies.
- Match Play Classic tournament(s): Flights are played from the blue, white and gold tees (based on participation) as determined by the tournament committee.

Play-offs

Club Championship flight winners, when tied, will compete in a four-hole aggregate play-off followed by sudden death if necessary immediately following the completion of the final day of regulation play.

For the two Social events that award trophies (Member-Guest and 2-Ball Open), the USGA method of matching cards will be used to determine the trophy winners.

For all other trophy events, including Club Championship runners-up, all members will be expected to compete in a sudden death playoff within a reasonable time after the event.

Tournament cancellation policy

All TMC Members with a tournament tee time are expected to start play on time unless course conditions and/or weather cause a delay or cancellation of the tournament. Any delay, whether beginning the tournament or occurring during the course of play, is inherent to tournament play. Members are bound to continue play when the delay is lifted. A delay in play is a joint decision between the TMC Tournament Director or his designated representative, TCC management and the Club Professional. The same parties will also decide on whether the tournament will be cancelled.

Upon cancellation of a tournament, the results will be official if all participants have completed nine holes. If not, the tournament is cancelled as non-official, tournament fees are refunded, participants receive credit for a tournament played and rain checks will be issued in accordance with TCC policy. If a delay is predicted to last or actually lasts more than 90 minutes, the tournament will be cancelled and results will be recorded as described above.

Tallwood Men's Club Tournament and Social Event Guide

Club and local rules

USGA Revised Rules of Golf shall apply to all play at Tallwood except as modified by local rules stated below.

Ball will be played down. If conditions warrant, winter rules will be posted. Under winter rules, ball may be lifted, cleaned and placed within one club length, no nearer the hole and only in the fairway being played.

Raised rocks embedded in closely mown areas (fairway height or less) are deemed to be ground under repair.

All stone walls are integral parts of the golf course. There is NO free relief from them.

Skunk damage to the course is deemed to be ground under repair.

A ball located on a cart path, extension of and/or french drain may be lifted without penalty.

Embedded ball rule is in effect throughout the general area.

Rule 18-3 is modified to permit playing a provisional ball for a ball which may be in a red or yellow penalty area. A provisional ball shall be played as follows: after declaring the intent to play a provisional ball, the ball shall be dropped in accordance with the rules of golf concerning penalty areas (Rule 17). Then, if the ball is found in the penalty area, the player has the option of playing it or playing the provisional ball with the applicable penalty stroke. If the original ball is found outside the penalty area, it is deemed to be the ball in play.

Hole #3 - Pond is a yellow penalty area. Proceed under Rule 17 or use the drop area to the left of the pond.

Hole #4 - Protective fence behind the green is an obstruction. If a ball comes to rest in the cart path between the fence poles, the player may use the drop areas located behind the green without penalty.

Hole #11 - Pond is a yellow penalty area. Proceed under rule 17 or use the drop area in front of the pond. Do not drop or place the ball on the slope between the pond and the green.

Hole #12 - Ponds are yellow penalty areas. Use the drop areas in front of the pond which the ball entered.

Hole #15 - Red penalty area left of and behind the green. Use the drop area left of the cart path, left of the green.

Hole #17 - Pond is a yellow penalty area. Proceed under rule 17 or use the drop area located right of the pond. Do not drop or place the ball on the slope between the pond and the green.

II - Standard TMC Events

Individual Gross & Net by Flight

Each player plays his own ball throughout. Player must hole-out on every hole. Scorecards must have a score on every hole. The scorekeeper and player are not responsible for the math on the card as all individual hole scores will be entered into Golf Genius. Signed and attested score cards are to be turned into the Pro Shop promptly. Flight ranges (within tee color) are determined by trying to balance the flights as evenly as possible based on member participation. Blue tee players will play for gross and net. White/gold tee players will play for net only. WHS score posting: "H".

Tallwood Men's Club Tournament and Social Event Guide

2-Man Best Ball

Two players comprise a team. Each player plays his own ball throughout the round. Team score is the best (lowest) individual gross and net score on each hole. If one or both partners do not play from the blue tees, they are playing for net prizes only. WHS score posting: "H".

4-Man Scramble (Spring Classic)

Four players of different handicap levels comprise a team. On every hole, each member of the team hits a tee shot from his designated tee color. One tee shot is selected by the team and regular scramble tournament rules apply. Team score is the gross score on each hole. On occasion, there are minimum requirements for using each team member's tee shot a certain number of times (example: each player's tee shot must be used a minimum of two times). Specific rules for scramble events will be announced as well as either being posted in the Pro Shop or on a published rule sheet. WHS score posting: N/A.

4-Man Shamble (Fall Classic)

Four players of different handicap levels comprise a team. On every hole, each member of the team hits a tee shot from his designated tee color. The team then selects one of the tee shots from which all continue play. All members of the team then play their own ball from that position until that ball is holed out. Team score is the best (lowest) individual gross and net score on each hole. On occasion, there are minimum requirements for using each team member's tee shot a certain number of times (example: each player's tee shot must be used a minimum of two times). Specific rules for shamble events will be announced as well as either being posted in the Pro Shop or on a published rule sheet. WHS score posting: N/A.

Ringers Tournament

Ringers is a season long event that begins the Sunday following the Spring Classic and runs through the Sunday before the Fall Classic (the Ringers season). Members can enter the Ringers tournament by registering in the Pro Shop any time before or during the Ringers season. Commencing in 2022, there will be two Ringers options; Gross, played from the blue tees only and Net, played from any tee of a player's choice. Players may elect the Gross option, the Net option or both. There is a \$10 entry fee per option. All entrants will have a page in the Ringers book with their name on it. Players who elect to enter both options will have two pages; a Gross page and a Net page. After each eligible event, players should check their page(s) to see if they have improved their best score of the season on any hole and if so, the new score should be entered in the appropriate box/column and be attested by another member of their foursome. Handicap strokes applied to result in a player's net score may vary depending on the player's course handicap and tee choice for that day. For players who have elected both the Gross and Net options, a single score which improves both the gross and net page entries can be used. Scores made in non-medal events such as scrambles, shambles or scotch ball play are not eligible as Ringers scores. At the end of the season, the lowest scores recorded for all 18 holes are tallied and prizes are awarded for both Ringers options; one flight for the Gross option and an appropriate number of net flights determined by the Tournament Committee based on player handicaps within the overall pool. The number of payouts in each pool will be determined based on the overall number of participants in each pool.

Tallwood Men's Club Tournament and Social Event Guide

III - Trophy Events

Winners of each of the following Tournament events receive trophies at the end of the season, usually at the Fall Awards Banquet. There are also a very few runners-up trophies awarded, such as for the Club Championship flights.

Note: The awarding of Golfer of the Year (GOTY) points is documented in detail in the document titled "GOTY-points-analysis-2021-01-29".

Memorial Tournament

- Tournament format: 18 hole individual gross (blue tee only)/net
- Oversight: Tournament Committee
- GOTY: Yes
- Trophy: Gross winner (blue tee only) and net winner
- Tournament date: Saturday before Memorial Day
- WHS score posting: Competition ("C")
- Funding: Entry fee. TMC subsidy per Appendix 1.
- Additional information:

Phil Daly President's Cup

- Tournament format: 18 hole individual gross (blue tee only)/net
- Oversight: Tournament Committee
- GOTY: Yes
- Trophy: Gross winner (blue tee only) and net winner
- Tournament date: Mid- September
- WHS score posting: Competition ("C")
- Funding: Entry fee. TMC subsidy per Appendix 1.
- Additional information:

Pro's Trophy

- Tournament format: Individual match play
- Oversight: Tournament Committee
- GOTY: Yes
- Trophy: Winner and runner-up. The TCC Club Professional provides the trophy for this event.
- Tournament date: Season-long
- WHS score posting: Competition ("C")
- Funding: Entry fee. No additional TMC subsidy.
- Additional information: This is a season-long individual match play event which the tournament committee oversees. Matches are played using 100% difference of player's course handicap, not GHIN Index. There are two qualifying dates in early May. Members may only choose to qualify on one date and must declare their desire to qualify prior to the qualifying round. The low 31 net scores plus the defending champion qualify for individual match play. In the event that the defending champion is unable to compete, the previous year's runner-up will automatically qualify. If the previous year's runner-up is

Tallwood Men's Club Tournament and Social Event Guide

unable to compete, the low 32 qualifiers will compete. There are specific deadlines by which each of the five rounds must be completed.

Governor's Cup

- Tournament format: 2-man match play
- Oversight: Tournament Committee
- GOTY: Yes
- Trophy: Winning team
- Tournament date: Season-long
- WHS score posting: Competition ("C")
- Funding: Entry fee. No additional TMC subsidy.
- Additional information: This is a two-man team match play event using 90% Handicap off of the player with the lowest handicap using the USGA calculation method. It is a season-long event which the tournament committee oversees. There are specific deadlines by which each of the five rounds must be completed. A sign-up sheet limited to the first 32 2-man teams will be posted in the clubhouse on the day of the first official TMC event.

Two-Ball (BBQ) Open

- Tournament format: 2-man best ball
- Oversight: Social Committee
- GOTY: No
- Trophy: Gross winner (blue tee only) and net winner
- Tournament date: Middle of August
- WHS score posting: Competition ("C")
- Funding: Entry fee. TMC subsidy per Appendix 1
- Additional information: This is the second of two "Member-Guest" or "Member-Member" type of events. Each team must have at least one Tallwood Men's Club member. This is a two-man better ball event with gross & net (blue tee), and net only from all other tee color combinations. There is no Callaway division option. There is a traditional "Rib Barbeque" that is served at TCC. This event allows members to bring guests to the event to participate. However, guests must have a valid WHS handicap to participate for 2-man prizes.

Tournament of Champions

- Tournament format: 18 hole individual gross (blue tee only)/net
- Oversight: Tournament Committee
- GOTY: Yes
- Trophy: Gross winner (blue tee only) and net winner
- Tournament date: Mid-October
- WHS score posting: Competition ("C")
- Funding: Entry fee. TMC subsidy per Appendix 1.
- Additional information: Each individual gross or net flight winner of all identified G/N tournaments from the middle of April until the end of September for which the field size is deemed adequate will qualify for

Tallwood Men's Club Tournament and Social Event Guide

- this invitational tournament. These predesignated qualifying tournaments are marked as “ToC” on the TMC tournament card.

Seniors Tournament

- Tournament format: 36 hole individual gross (blue tee only)/net
- Oversight: Tournament Committee
- GOTY: No
- Trophy: Gross winner (blue tee only) and net winner
- Tournament date: Late June
- WHS score posting: Competition (“C”)
- Funding: Entry fee. TMC subsidy per Appendix 1.
- Additional information: This is a 36-hole individual medal play tournament. Eligible participants must be 55 years of age by the first round of the event. If either day is cancelled due to weather, this tournament will be official as an 18-hole event. No GOTY points.

Super Seniors Tournament

- Tournament format: 18 hole individual gross (blue tee only)/net
- Oversight: Tournament Committee
- GOTY: No
- Trophy: Gross winner (blue tee only) and net winner
- Tournament date: Late August
- WHS score posting: Competition (“C”)
- Funding: Entry fee. TMC subsidy per Appendix 1.
- Additional information: This is an 18-hole individual medal play tournament. Eligible participants must be 62 years of age by the event. No GOTY points.

Club Championship

- Tournament format: 72 hole individual gross (blue tee only)/net; 4 flights
- Oversight: Tournament Committee
- GOTY: Yes
- Trophy: Gross winner (blue tee only) and net winners in flights A, B and C
- Tournament date: Mid-July
- WHS score posting: Competition (“C”)
- Funding: Entry fee. TMC subsidy per Appendix 1.
- Additional information: The greater of the (i) low 8 scores plus ties or (ii) players within 10 strokes of their flight leader after 2 rounds (36 holes) qualify for rounds 3 & 4. If either of the first two rounds is rained out, the tournament is reduced to 54 holes and the greater of (i) the low 8 scores plus ties or (ii) players within 7 strokes of their flight leader after 1 round (18 holes) qualify for rounds 2 & 3. Eligibility for new TMC members is seven (7) current year tournaments prior to the first round of the CC event. Eligibility for renewal TMC members is 5 events between the end of the previous year’s CC, and the start of the current year Club Championship. This tournament requires play on Saturday and Sunday on two consecutive weekends. Championship flight is gross scoring (blue tees only) and flights A, B and C, are net scoring

Tallwood Men's Club Tournament and Social Event Guide

- only. There are Club Champions awarded in four flights: Championship Flight, A Flight, B Flight and C Flight.

IV - Special Events

Spring Classic

- Tournament format: 18 hole 4-man A-B-C-D scramble
- Oversight: Social Committee
- GOTY: No
- Trophy: No
- Tournament date: Early-mid April
- WHS score posting: N/A
- Funding: Entry fee. TMC subsidy per Appendix 1.
- Additional information: Shotgun start. Members of each group tee off from tee boxes assigned by their handicap level. Gift cards and Pro-Shop credit are awarded to winning teams of this initial Social event of the season. This event is one in which members typically meet and golf with members outside normal foursomes. Grillroom food and beverage paid by TMC.

Scotch Ball I and II

- Tournament format: 2 partner (M/F) scotch ball
- Oversight: Social Committee
- GOTY: No
- Trophy: No
- Tournament date: SBI–early June; SBII–Late August
- WHS score posting: N/A
- Funding: Entry fee. TMC subsidy per Appendix 1.
- Additional information: The member hits his drive from his TMC chosen color tee and his female partner hits her drive from the red tees. For the second shot, the partners exchange balls; man hits from where woman's drive landed and the woman hits from where the man's drive landed. The team then chooses one ball and hits alternate shots until the ball is holed out. There are generally 9 and 18-hole flights. Golf is followed by a dinner at the TCC patio table area, TCC tent area or very rarely at another venue.

Individual match-play

- Tournament format: Individual match play
- Oversight: Tournament Committee
- GOTY: Yes
- Trophy: No
- Tournament date: May
- WHS score posting: Home "H"
- Funding: Entry fee. TMC subsidy per Appendix 1.
- Additional information: Individuals sign up for individual match play. The Tournament committee and the Pro Shop create four eight-competitor flights based on course handicap ranking. Bracket matches, played at 100% handicap differential are scheduled by the participants. Matches are played according to regular match play rules and the winner of three matches is declared the flight winner.

Tallwood Men's Club Tournament and Social Event Guide

Parent-Child

- Tournament format: 2 partner scotch ball
- Oversight: Social Committee
- GOTY: No
- Trophy: No
- Tournament date: July
- WHS score posting: N/A
- Funding: Entry fee. TMC subsidy per Appendix 1.
- Additional information: This pairs event is intended to bring different generations of family together as a team; ie, father and son/daughter, son and father/mother or any relatively close family member, as in nieces/nephews, uncles/aunts, or in-laws. The member hits his drive from his designated TMC tee (blue, white or gold) and his partner hits from the appropriate tee for that player. Next, the partners exchange balls and hit a second shot. The team then chooses one ball and hits alternate shots until the ball is holed out. There are 4, 9 and 18-hole flights. Golf is followed by a cookout at the TCC patio area or TCC tent area.

Mother's Day

- Tournament format: 18 hole individual gross (blue tee only)/net
- Oversight: Tournament Committee
- GOTY: Yes
- Trophy: No
- Tournament date: April
- WHS score posting: Home "H"
- Funding: Entry fee. TMC subsidy per Appendix 1.
- Additional information: Low gross (blue tee only) and low net individual tournament.

Memorial Day Remembrance

- Tournament format: 18 hole individual gross (blue tee only)/net
- Oversight: Tournament Committee
- GOTY: Yes
- Trophy: No
- Tournament date: May
- WHS score posting: Home "H"
- Funding: Entry fee. No additional TMC subsidy.
- Additional information: To honor Veterans and past TMC members who have passed away, this event features a special tribute. Members are encouraged to make a donation to the designated charity (currently Folds of Honor) on the 10th tee. Donors will be given a flag to place next to their tee shot. By the end of the weekend, the 10th fairway defines this special tribute to these Veterans and former TMC members.

Father's Day

- Tournament format: 18 hole individual gross (blue tee only)/net
- Oversight: Tournament Committee

Tallwood Men's Club Tournament and Social Event Guide

- GOTY: Yes
- Trophy: No
- Tournament date: Mid-June
- WHS score posting: Competition (“C”)
- Funding: Entry fee. TMC subsidy per Appendix 1.
- Additional information: Low gross (blue tee only) and low net individual tournament.

Member-Guest

- Tournament format: 2-man best ball
- Oversight: Social Committee
- GOTY: No
- Trophy: Gross winner (blue tee only) and net winner distributed post-event
- Tournament date: Mid-June
- WHS score posting: Competition (“C”)
- Funding: Entry fee. TMC subsidy per Appendix 1.
- Additional information: This is the premier event of the season, 2-man best ball, requiring an additional entry fee. This event showcases our club to the guest of our members. It is followed by an awards dinner, either on-site at TCC under a rental tent with a caterer or at a local restaurant. On Friday prior to the event, there is a Pre-Member-Guest golf tournament practice round and at 5:00 PM, a putting contest and cookout at TCC.

Member-Member

- Tournament format: 36 hole 2-man best ball
- Oversight: Tournament Committee
- GOTY: Yes
- Trophy: No
- Tournament date: Early August
- WHS score posting: Competition (“C”)
- Funding: Entry fee. TMC subsidy per Appendix 1.
- Additional information: Eligibility for new TMC members is seven (7) current tournaments prior to the first round of this event. On the Friday prior to the event, there will be a Calcutta pairings auction held at TCC. Gross (blue tee only) and net for all other tee color combinations.

Match Play I & Match Play II

- Tournament format: 2-man match play
- Oversight: Tournament Committee
- GOTY: Yes
- Trophy: No
- Tournament date: MPI-late April, early May; MPIO-September
- WHS score posting: Competition (“C”)
- Funding: Entry fee. TMC subsidy per Appendix 1.
- Additional information: Teams are grouped into flights determined by total combined team handicap. Partner's course handicaps must be within five strokes (lower handicap plus five for the higher handicap)

Tallwood Men's Club Tournament and Social Event Guide

- player). Four nine-hole matches; two on Saturday and two on Sunday with all matches being played as scratch, except the last flight.

Fall Classic

- Tournament format: 4-man A-B-C-D shamble
- Oversight: Social Committee
- GOTY: No
- Trophy: No
- Tournament date: October
- Score posting: N/A
- Funding: Entry fee. TMC subsidy per Appendix 1.
- Additional information: Shotgun start and members of each group tee off from tee boxes assigned by their handicap range. Gift cards and Pro Shop credit are awarded to winning teams of this final golfing Social event of the season.

V - Most Improved Golfer

Participation in seven (7) Men's Club Tournaments is required in order to be considered for the Most Improved Golfer. First year TMC members are not eligible for this award. Calculation is done within the WHS/GHIN handicapping software. The winner of this award is presented with a trophy at the season-ending Fall Awards Banquet.

VI - Nick Pahoulis Golfer of the Year (GOTY)

Points are earned towards the Golfer of the Year (GOTY) Award for several of the trophy and special events detailed above. This prestigious award is presented to the golfer who earns the most total points during the golfing season. There is a trophy presentation at the end of the year at the Fall Awards Banquet. Please see the document titled "GOTY-points-analysis-2021-01-29" for all details.
